## Education

### **B.S COMPUTER SCIENCE | CUNY LEHMAN COLLEGE**

- January 2020 – May 2022

### **A.S MULTIMEDIA PROGRAMMING & DESIGN | BUROUGH OF MANHATTAN COMMUNITY COLLEGE**

- August 2017 – December 2019

## Skills & Abilities

### **TECHNICAL**

- Android App Development
- Web Development
- Robust Understanding of programming languages like Java, JavaScript, HTML, CSS, Python, and R

### **STRENGTH**

- Good logic and reasoning skills
- I have an extreme passion for problem solving
- Good at engaging with guests and keeping their satisfaction at a maximum

## Experience

### **CREATIVELY WILD | ASSISTANT BIRTHDAY PARTY HOST | DECEMBER 2017 – MAY 2018**

- Every other week I would join with a group of friends to help set up and host children's birthday parties in an art studio located in Dumbo Brooklyn. We executed activities like painting, graffiti, dancing, giving out fun food, and making the children and their parents reach maximum satisfaction .

### **WILLIAM'S SONOMA | STOCK ASSOCIATE | OCTOBER 27, 2018 – FEBRUARY 8, 2019**

- My job was to organize and stock highly priced kitchenware for the store's inventory. I would deliver requested kitchenware from the stockroom to the floor at an accelerated rate while maintaining our brand standards.

### **NEW YORK CITY WIDE TRAFFIC TASK FORCE | SUMMER INTERN | JULY 2017 – AUGUST 2017**

- Assisted police officers with miscellaneous assignments like organizing their confidential papers, conveying messages and paperwork all over the precinct, and taking calls at the office.
